CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

## ASSEMBLY BILL

**No. 1322**

---

**Introduced by Assembly Member Huffman**

February 27, 2009

---

An act to amend *Section 9084 of the Elections Code, and to amend Section 84506.5 of the Government Code, relating to the Political Reform Act of 1974.*

### LEGISLATIVE COUNSEL'S DIGEST

AB 1322, as amended, Huffman. Political Reform Act of 1974: campaign disclosures.

Existing law requires that an advertisement supporting or opposing a candidate that is paid for by an independent expenditure committee contain a statement that the advertisement was not authorized by the candidate.

This bill would require that the advertisement identify the name of the independent expenditure committee that purchased it and would, for printed advertisements, specify the manner in which the disclosure must be made. *Committees that are required to file with the Secretary of State would be required to list the Secretary of State's Web site address on their disclosure statements and a committee that is not required to register would be required to include an Internet Web site address that lists the information on donors who have contributed \$100 or more to the committee, as specified. The bill would also require the Secretary of State to include information on how voters can determine who is funding campaigns and campaign-related communications on*

*the ballot pamphlet, as long as it can be included without increasing the number of pages. The Secretary of State would also be required to include a statement describing the types of campaign contributions, applicable contribution limits, and the role of independent expenditures.*

Because this bill would expand the definition of a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's purposes upon a  $\frac{2}{3}$  vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote:  $\frac{2}{3}$ . Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.
